Subject: WCR 112 Ground Water Plume - Conceptual Understanding of the Site Technical Memorandum (Revision 01)

Attached is the electronic PDF version of the Conceptual Understanding of the Site Technical Memorandum (Revision 01) for the West County Road 112 Ground Water Plume Site (Task Order 0065-RICO-A6R6). One original hard copy and two electronic copies (on compact disc [CD]) of this document will be shipped to the EPA Mailroom for delivery on Friday, 7 October 2011.

In addition, two hard copies and one electronic copy (on CD) of the deliverable are being shipped to Ms. Danielle Sattman-Soule, with the Texas Commission on Environmental Quality (TCEQ).

If you have any questions regarding this submittal, please call me at (972) 459-5040.

Thank You
